Dear Supervisors:

**APPROVE GRANT AWARD FUNDING, ADOPT A RESOLUTION
AUTHORIZING THE SHERIFF TO ACCEPT A GRANT
FROM THE OFFICE OF TRAFFIC SAFETY,
AND APPROVE AN APPROPRIATION ADJUSTMENT
(ALL DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve a grant award in the sum of \$2,400,000, from the State of California, Office of Traffic Safety (OTS), for Risk Management Bureau's Traffic Services Detail, to develop and implement a program focusing on traffic safety education and enforcement efforts in the Los Angeles County Sheriff's Department's (Department) contract cities.
2. Adopt a resolution (Attachment I) authorizing the Sheriff of Los Angeles County, as an agent for the County, to sign and execute a \$2,400,000 grant award agreement from OTS, and any subsequent amendments, modifications, augmentations, extensions, and grant renewals pertaining to said grant, and accept liability for any acts occurring under the grant.
3. Approve an appropriation adjustment for \$921,000 to be fully offset by State grant funds (Attachment II).

A Tradition of Service

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

The Office of Traffic Safety awards Federal funding on a competitive basis to State and local political subdivisions of the State. In September 2005, an application requesting grant funding to develop and implement a traffic safety program was submitted to OTS by the Department. On October 31, 2005, OTS sent notification to the Department that Traffic Services Detail was selected to receive grant funding in the amount of \$2,400,000.

The Department's Traffic Services Detail will develop and implement a program focusing on traffic safety education and enforcement in our 40 contract cities to whom the Department provides traffic enforcement services. The main goals of the program will be to increase education and awareness and reduce alcohol-involved fatal and injury collisions.

Throughout the state, alcohol is a major contributor to injury and fatal traffic collisions. According to the Statewide Integrated Traffic Records System, which is compiled by the California Highway Patrol, nearly 11 percent of injury traffic collisions involved an alcohol impaired driver and slightly more than 31 percent of all fatal collisions involved a DUI (driving under the influence) driver.

The traffic safety program will include a focus on high school students and topics related to driving under the influence and illegal street racing. Additionally, monthly DUI and DL (driver's license) checkpoints, saturation patrols, court sting operations, and warrant service patrols will be conducted. The program will consist of three phases: program preparation, program development, and data gathering and reporting.

The OTS requires that the attached resolution be adopted by your Board in order to execute the grant.

Implementation of Strategic Plan Goals

This program will meet the County's Strategic Plan, Goal 1, Service Excellence, by providing a Traffic Safety Program to 40 contract cities.

FISCAL IMPACT/FINANCING

The \$2,400,000 in grant funding from OTS will allow the Department to develop and implement a traffic safety project for its contract cities. The \$921,000 will allow the Department to implement the program through June 30, 2006. The additional money will fund the program through December 31, 2007. There is no matching of funds required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The OTS grant award period is from October 1, 2005, through December 31, 2007. The resolution requires the County to accept liability for any actions occurring in the use of grant funds. The contractual requirements of the grant award and the resolution have been approved by County Counsel.

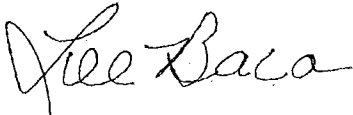

IMPACT ON CURRENT SERVICES

Along with the DUI and DL checkpoints, stings, and warrant services, this grant will also have a positive impact on current services by focusing on high school students. Due to State and Federal school curriculum requirements and time limitations, training programs geared toward high school students are non-existent.

CONCLUSION

Upon the Board's action, the Sheriff's Department's Grants Unit needs to obtain four (4) individually certified copies of the Board-adopted letter and four (4) original signed resolutions to meet the requirements of OTS. The Department's contacts for the requested Board action are Assistant Director Frank Williams, (323) 526-5251, and Grants Coordinator Sheri Buyher, (323) 526-5408.

Sincerely,
